LAST HOME GAME FOR YOEMEN

Gray Dawn and Rain Greet Vets Armistice Day Here

A gray dawn with rain, somewhere in France 21 years ago, came back again Saturday to spoil celebration opportunities for war veterans who planned a big day in Cameron.

At noon the men had difficulty in reaching their luncheon quarters in the Ada Henderson Cafeteria although a good crowd was present to enjoy the annual feed.

It was almost certain that the rodeo scheduled for 2:30 p. m. would not be held but hopes were entertained that the sun might break through and bring a clear Sunday at which time the program will be staged at 2:30 p. m. at Legion Park.

Beginning at 7 o'clock a. m. the exact hour of the Armistice on Nov. 11, 1918, and ending the world war a delegation of local Legionaires sent up explosives at stated intervals to hail the dawn of the 21st Armistice.

At St. Monica's Church this morning a religious service directed by Rev. Geo. J. Duda, pastor, was held and the entire population was called to prayer by tolling church bells for mass supplication for guidance toward world peace.

In European capitals, with the exception of Berlin, Armistice was being celebrated under the painful realization that with millions of men in trenches, the death toll would be large in spite of all efforts during the intervening years to settle the world's problems.

In Germany it has been the custom since 1918 for the people of the Reich to spend the day in mourning. The Germans look upon Armistice Day as a day of great humiliation for the nation. The expected lightning attack by the forces of Adolf Hitler on Armistice Day did not occur. The German leader led his people in observance of Armistice with mourning throughout the Reich and a funeral for the seven patriots of the unsuccessful revolution at Munich in 1923, occupying the attention of the population.

MRS. B. P. BOZEMAN BURIED IN ROSEBUD

Funeral services were held Tuesday at 10 a. m. for Mrs. B. P. Bozeman, 69 year old pioneer Baileyville resident who died Sunday night, November 12. Rev. Durrell Blachmon, pastor of First Methodist Church of Rosebud, officiated at the service held in the auditorium of the church.

Mrs. Bozeman is survived by her husband and one daughter, Mrs. T. H. Freeman of Rosebud. Interment was made in Rosebud cemetery.

Mrs. Bozeman was a member of a pioneer Milam county family and had many friends in Cameron as well as other sections. A number of Cameron friends attended the funeral.

Rotarians Hear Dr. Clifford Swift On Anesthesia

Anesthesia and its contribution to surgery was the subject of an interesting paper read Wednesday to the Cameron Rotary Club by Dr. Clifford Swift.

Dr. Swift traced anesthesia from its early beginning in the profession and told about primitive methods of alleviating pain before the discovery of negatives. One of the early methods was a painful lick on the head to render the patient unconscious and another was fright. The medical profession through the years has made great progress, and almost a century ago ether and chloroform came into established use.

The paper read by Dr. Swift contained a wealth of detail and was thoroughly enjoyed by members and guests.

P. W. Davis of the program committee announced plans for the joint luncheon of the Lions and Rotary clubs on November 29. Rotarians voted to visit the lunch room of the Cato Cafe where the Lions meet, for that day. The Lions club, meeting on Tuesday of that week, will postpone their luncheon to be with the Rotarians on Wednesday. Dr. Gordon C. Singleton of Mary Hardin-Baylor College has been invited to deliver the principal address.

Employment Agency Aids 64 to Get Jobs During October

The October report of the local office of the Texas State Employment service showed that 64 jobs were found in private industry. In addition to this 96 farm workers were sent to jobs on the farm during the month, R. C. Moody, local Manager, reports.

Representatives of the Service made 98 visits to employers in Cameron seeking openings for workers. The co-operation that local firms and farmers have shown in using the service is appreciated, Mr. Moody says.

Last month 76 new people registered and 314 renewed their application for work.

Poultry Show to be Held Here in January

Plans for the annual poultry show sponsored by the Chamber of Commerce were discussed at a meeting of the organization on Tuesday night.

This show is held in Cameron each year under the direction of the agricultural department of Cameron schools with the various Future Farmer organizations of the county participating in the judging contests and displaying poultry exhibits.

No definite date for the show has been designated but plans are that it will be held sometime in January.

Plans for the show have been under disucssion for some time and was originally scheduled to take place in November but due to the fact that many other similar shows are being held in abjacent communities, it was thought best to have the show in January.

Chamber of Commerce Votes for Community Christmas Tree

A community Christmas tree to contribute to the happiness of Cameron children will be held again this year.

The Cameron Chamber of Commerce at its regular meeting on Tuesday night, voted to have the tree again this year provided the various civic organizations of the city will assist in financing the undertaking. The various clubs and lodges will be contacted before further plans are made for the tree W. F. Paden, manager of the Chamber of Commerce, said.

Ad Hall Wins Over Seaton-Cedar Springs

Ad Hall girls ran up victory No. 7, against Cedar Springs and Seaton, defeating Cedar Springs 16 to 12 and Seaton 39 to 8. Petty was high point scorer in the Cedar Springs game with 9 points. Nemic seemed unable to miss the hoop with 27 points during the Seaton game.

4-H Clubs to Honor 100% Girls With Banquet on Nov. 17

The 4-H Clubs of Milam county will honor their 100 per cent girls with a banquet at the Ada Henderson School Cafeteria on Friday, Nov. 17, 1939.

There are a total of 56 girls who are members of Milam county 4-H Clubs who have attained this high rating and they will be presented with pins in recognition of their fine work.

Entertainment at Burlington

The pupils of St. Michael's School of Burlington will sponsor their usual Thanksgiving social on Wednesday, November 22, at 7 o'clock in the school hall. A free program to entertain the public will precede the social. All are invited to be present.

The Red Cross is a force for civilization and mercy in a troubled world.

For 75 years it has served humanity and again the annual appeal for members is before us.

The Red Cross has established a unique relationship with the public. It is a relationship of reciprocity, one of mutual benefits. The public supports the Red Cross, and conversely, the Red Cross stands ready to serve the public in exigencies of disaster or in human suffering in virtually every form.

Its operations girdle the earth, not only in war, but in peace. The men and women who have chartered the destinies of the Red Cross have learned that human suffering can be as great at home in peace time as on the battlefield.

Disaster, accidental death, disease and malnutrition today hurl as serious a challenge as the threatening spectre of war.

In sincerity of endeavor the Red Cross is pledged to meet human needs, with experienced workers and with the financial assistance of a sympathetic nation.

We in Milam county, as well as other parts of the country, are charged with the responsibility of keeping the Red Cross spirit alive.

Let us not evade the opportunity.

Lions Club Here Making Progress In Work Among The Underprivileged

Sponsored by the Sight Conservation and Blind Committee of the Cameron Lions Club, a sum of thirty dollars was realized from the Cameron-Hearne negro football game here last Thursday night for use in work with needy children who have defective eyesight or need medical and surgical attention.

Lion, Dr. C. G. Brindley says the game is the first of a series being sponsored by his committee.

Two cases of emergency nature received attention of the Lions club this week. An eye case and a nose and throat case were sent to specialists for treatment.

The Boys and Girls Work Committee extended help to the Mexican Boy Scouts this week. Needed manuals were secured for the troop of 16 boys under the leadership of Scoutmaster Tomas Garza. This committee also secured for the girl scouts of Cameron a Tennis net for their use in athletic programs at the hut. The net may be used for several purposes.

The Extension committee has arranged for presenting a program to the Belton Lions club next week. Cameron Lions have given programs recently to Temple and Rosebud Lions clubs.

Cameron Methodists Get New Pastor

Rev. John W. Mills, Houston pastor for the past four years, was appointed pastor of the First Methodist Church of Cameron by Bishop A. Frank Smith when the first Texas conference of the newly-united Methodist Church convened in Houston on Sunday.

Rev. Mills will succeed Rev. A. J. McCary who came to Cameron last November from Jacksonville where he had served as Presiding Elder of the Jacksonville District. Rev. McCary will go to Wills Point in Van Zandt county to which pastorship he was appointed by the Methodist Conference. He and Mrs. McCary plan to leave Cameron Thursday for their new home.

An interesting coincidence is that Rev. McCary and the newly elected pastor, Rev. Mills, are cousins.. Rev. and Mrs. Mills will arrive here the latter part of the week and he will preach his first sermon on Sunday, November 19.

Italy Warns Soviet to Stay out Balkans

Italy was reported today to have issued a sharp warning to Soviet Russia declared that the Facist government of Benito Mussolini will tolerate no Russian aggression or influence in the Balkan countries.

This action on the part of Italian government was regarded as indicating that Mussolini is following up his anti-communist viewpoint by acting to forestall any coup by Stalin in the sphere of influence represented by the Danube and Balkan countries. Whether some behind the scene aggressive act had inspired the Italian warning, was not learned.

In Berlin today Adolf Hitler announced his intention henceforth to employ all of the might of the German nation to destroy England and British influence throughout the world.

While the German dictator and British statesmen were damning each other at long range and thus making ridiculous any claim that a war has or is being fought in Europe, there was still no indication that Germany would make any war upon France. Except for activities on the seas, there was no war anywhere in Europe.

Just how Hitler plans to destroy England, of course, is not disclosed. There was growing belief that Germany would not violate the neutrality of Belgium or Holland. If Italy, already reported to have turned a cold shoulder to her former axis-partner, Germay, elects to challenge Soviet influence in the Balkans, an eventuality of the war might be a German invasion through the Brenner Pass to get to France or perhaps near the Swiss border.

BROTHER OF CAMERON MAN DIES IN ALABAMA

Jake Weems, 82, oldest brother of A. N. Weems prominent Cameron cotton gin operator and business man of Cameron, died Wednesday morning at his home in Pedemont Alabama.

Funeral services will be held in Pedemont Friday afternoon at 2:30. He is survived by several children and a brother, S. J. Weems of Boaz, Ala., in addition to Mr Weems of Cameron.

Deceased is a former resident of Milam county having been at one time a prominent farmer of this vicinity. Mr. Weems could not attend the funeral of his brother.

Football Programs For S. M. U. and Rice Institute

Football programs for the Cameron-Hearne game were being printed Thursday in the plant of the Herald. They are being run in blue, for Rice Institute and Southern Methodist University.

Previous programs have featured the colors of Baylor, Texas Christian University, A & M College and University of Texas. The Friday night program will be the last of the series because the last home game will be played against Hearne.

City Secretary on Municipality Program In New Braunfels

Dan Tyson, City Secretary and Treasurer, left Wednesday morning for New Braunfels to attend the annual convention of the League of Texas Municipalities which will be in session on Wednesday, Thursday and Friday, Nov. 15, 16, and 17.

Mr. Tyson was chosen by the City Council to represent the City Government of Cameron before the city officials of Texas.

The Secretary will be on the program at the Friday session and will give to the convention a report on his home town, "Cameron as a Municipality, dispatching business under the general laws of Texas."

Buys 500 Copies Of Daily Herald

Henry F. Lippman, who owns the Lippman Department Store, was one of the first Cameron merchants to realize the advertising appeal of the Cameron Daily Herald.

In this issue are five advertisements from his store and in addition to this display space, Mr. Lippman purchased 500 copies of the Daily Herald Thursday to be distributed by him. Mr. Lippman has been a consistent patron of the little daily since it was launched.

Jess Phares and Zol Hensley of Gause were Cameron visitors early Monday.

FUNERAL FOR CRASH VICTIM HELD TODAY

Funeral services for Jessie Carroll Smith, who died from injuries sustained in an automobile accident near Pampa, Florida, at 2 a. m. Sunday, were held at 2:30 this afternoon at First Baptist Church.

Smith and his companions, were returning from a rodeo early Sunday morning when their car crashed with another machine on the highway. V. H. Aubey was killed also.

Smith formerly resided in the Marlow community and attended high school in Cameron, playing on the football team.

Services were conducted by the family pastor of Waco and interment was made in Marlow cemetery with Green Funeral Home directing arrangements. The body was buried beside a brother who was killed in an accident in the Taylor oil field about 1929.

Dan Cupid Takes First Toll From Faculty Here

Miss Maude H. Stephenson member of the Ada Henderson School faculty, will leave Cameron sometime Monday and will be married to L. D. Bell of Weslaco, it is reliably reported here Monday. Miss Stephenson resigned from the faculty last week and Miss Elizabeth McGee of Wichita Falls reached this city Sunday and will succeed Miss Stephenson who was auditorium teacher in the grade school. Mr. Bell was recently in Cameron for the Farm Security Administration liquidating government claims over defaulted obligations growing out of emergency loans to farmers. He was transferred to Weslaco. Miss Stephenson's home is in Del Rio. The Cameron Daily Herald could not obtain confirmation from Miss Stephenson.

Tri-County Woodmen Meeting in Temple November 15

The Tri-County Woodmen Association will hold its first meeting since its organization, in Belton on Wednesday night, November 15, beginning at 8 o'clock.

Judge Graham Gillis of Cameron, who was elected president of the association, will be in charge of the program. The principal purpose of the meeting is to promote the fraternity and to increase the membership of the association, Judge Gillis said.

Mrs. B. F. Bonds, who has been critically ill for several days, was operated on at Cameron hospital Wednesday morning and her many friends will be glad to know that she is recovering. Surgeons removed her tonsils and Mrs. Bonds will be under the special care of physicians and nurses for several days before being able to return to her home.

HEARNE EAGLES TO PLAY IN CAMERON

Friday night at Yoemen Field Coach Carol Wood will send the big disappointment of 1939 against the Hearne Eagles in the first non-conference tilt since the Mexico City game.

The Eagles have played a poor schedule as usual and are always able to win their conference without much effort. Their team is weak but not quite so weak as the 1939 Yoemen. Since the Belton defeat of last Friday night, the team has been rather listless, although one conference game remains to be played against Rosebud in Rosebud on November 24.

The game with Hearne Friday night should be one of the best of the season because neither team has been at all impressive this year. The greatest Eagle team in the history of Hearne was disqualified in 1938 for playing an ineligible man.

The field should be in good shape Friday night if the weather remains fair and the game should be fairly fast. A non-conference game may give an opportunity to the lesser lights on the 1939 team. The Daily Herald learned Tuesday that D. D. (Dude) Harris had left the team. This could not be confirmed. Harris has not played football all year. He was one of the boys sent to Mexico City by the Cameron Rotary Club. He is 17 years old and in the 9th grade and this is his last year for football. He weighs 128 pounds and is reserve center. He is a Cameron boy and was on the B squad last year..

One of the brightest prospects for 1940 is Bobby Hays, in the 9th grade and only 15 years old. He has two more years of football elegibility and except for his lack of experience would have seen considerable service in the back field this year. Bobby may come through as a passer. He can also punt and Coach Wood has great hopes for him on the regular team next year. He is a hard worker, is fast, and likes to play football and the latter characteristic is a desirable element in the life of any boy who reports to a coach for football. Bobby will be one of the better prospects left from the 1939 team to be a regular starter in 1940.

Adolph Krupricka, reserve end, weighing 150 pounds, is one of a number of boys who came to the team this year from Buckholts. It will be remembered that Krupricka playing his first game of football, looked like a veteran when he took a pass from Pie Lucas late in the game and made Cameron's only touchdown against Georgetown. He is a senior and may have one more year of elegibility, however this lacks confirmation.

The scoring record of the Yoemen this year is not impressive. In eight games played, the Yoemen have scored 69 points and their opponents have scored 120 points.

FORMER CAMERON MAN DIES IN HOUSTON

Friends here have received news of the death of F. A. (Pete) Black, 81 year old former Cameron man. Mr. Black lived in Cameron during the early stages of the city's development and for many years before prohibition days, operated a saloon in Cameron and was also a cotton buyer.

When the 18th amendment was passed, Mr. Black left Cameron and went to Springfield, Missouri, where he entered the grocery business but had to sell out his business and leave that location due to ill effects of the climate on his health.

He moved with his family to Corpus Christi where he bought a farm and lived for several years. Later he sold his farm at Corpus Christi and moved to Houston where his daughters had teaching positions in Houston schools.

Sometime ago Mr. Black suffered a stroke of paralysis and never fully recovered, his health gradually declining over the past several months. Funeral services were held Monday in Houston. He is survived by his widow and several children.

Suffering Women Welcome "Build-Up"

A simple method is saving many women much pain and discomfort! It is based on the knowledge that women's headaches, nervousness, and cramp-like pain often are symptoms of functional dysmenorrhea due to a weak, run-down, undernourished condition. That so many women find relief from these painful symptoms through the CARDUI "build-up" is easy to explain. By improving the appetite, assisting digestion and assimilation, CARDUI helps to build physical resistance against periodic pain. Thousands of women also report that CARDUI, taken just before and during "the time," helps to ease periodic pain.

NEWS FROM MILANO

The long wished for rain came Saturday in a slow drizzle and gave the ground a good soaking and filled stock tanks which had been empty for many months. Although this is not a sufficient amount of moisture, it will enable farmers to plant grain and will be a big help to winter gardens. Agricultural authorities report more rain is needed as the ground contains practically no moisture.

Former Football Star Dies In Crash Near Pampa, Florida

Jessie Carroll Smith, 31, former high school student and football star at Yoe High School, was killed near Pampa, Florida, Sunday when his automobile crashed with another machine.

V. H. Aubey, 45, of Mobile, Alabama, a companion of Smith was also killed.

Mrs. Ruby Tidwell of Pampa was released from a hospital following the crash.

The body of Smith, according to a news dispatch from Pampa, will be sent to Cameron for burial while the body of Aubey will be sent to Mobile.

Smith was a former resident of the North Elm community and at one time may have resided in Marlow community. Monroe Smith of Cameron told the Daily Herald this morning that Smith graduated from high school sometime after 1927 and both were members of the football squad. Deceased played end and also was in the back field under Coach L. Van Perkins. By his team mates he was known as "Man Eating" Smith because of his vigorous type of play and physique.

Monroe Smith this morning said that a brother of deceased died from injuries sustained in an accident in the Taylor oil field along about 1929. Monroe Smith was in Taylor with the late J. W. Kemp and knew about the accident.

BECKER-BOEHME

Announcement has been received here of the marriage of Miss Letha Becker to Henry Boehme, the wedding occurring at 1:30 p. m. Sunday, Nov. 5, at the Lutheran Church of Terry's Chapel. The bride is the youngest daughter of Mr. and Mrs. O. W. Becker of near Rosebud. The groom is the son of Mr. and Mrs. Chas. Boehme and is in business in Rosebud where he is associated with the Boehme Bros. Gulf Service Station. They will make their home in the Pelham apartment in Rosebud.

Mr. and Mrs. F. G. Blake and Miss Irene Rouse spent last week end in Houston, where the Blakes visited friends and Miss Rouse visited with her sister.

Body Crash Victim Will Arrive Here Wednesday for Burial

The body of Jessie Carroll Smith, former Cameron youth who was killed in an automobile accident near Pampa, Fla., on Sunday, will arrive in Cameron Wednesday afternoon at 2:36, it was announced by the Leland Green Funeral Home who will have charge of the body.

Funeral services will be held at First Baptist Church Thursday, November 16, at 2:30 p. m. with interment in Marlow cemetery.

He is survived by his parents, Mr. and Mrs. J. L. Smith of Waco, two brothers, J. Z. Smith of Waco and Arthur Lee Smith of Galveston and one sister, Mrs. Ed Navara, Waco, Texas.

Arthur Smith, brother of Jesse Carrol Smith who was killed near Tampa, Florida, in a car accident Sunday received the following letter from a friend of deceased, W. Tillman, of Tampa, who will accompany the body to Cameron for burial:

November 12, 1939.

"In regard to your brother, right at present time he is barely alive. He was in an auto accident at 2 o'clock this morning near here. There were two more men in the car with him. One man was killed, the others just minor injuries. There were four in the other car, one was killed and the others were hurt. They had been to a rodeo about 60 miles from here and were coming home when the accident happened.

"Your brother has a big scalp place in the back of his head. His right arm and shoulder were broken. There are internal injuries causing hemorrhages of the lungs. He has lost an awful lot of blood.

'In case of death will have the body fixed and shipped. I will take care of his possessions. His car was torn up.

"I will write or wire you if necessary.

'He is getting the best attention possible at the hospital. He has never regained consciousness. I have called many times and been to the hospital four times.

'I am doing everything I can and will continue to until I hear from you. As ever,

DIES IN WACO

Homer Harper died at his home in Waco Saturday, November 11. Funeral services were conducted at 3 o'clock Sunday afternoon at North Elm with burial in North Elm cemetery. He was a brother in law of Mrs. C. P. Gandy of Yarrellton.

Mr. Harper is a former resident of Milam county having lived for many years in the North Elm community. He is survived by his widow and one brother, Less Harber of Waco.

PTA Officers Are Announced Here

The Yoe High School faculty entertained the members of the Board of Trustees Tuesday night at 7:30 in the recreational room of the gymnasium.

Games of forty-two, Chinese checkers and bridge were played with the Yoe High swing band assisting in the entertainment. A motion picture showing how this device supplements regular school work was shown. Work done by boys and garments made by girls of the second year homemaking class for pre-school children were on exhibit.

Refreshments prepared by the homemaking department were served at the conclusion of the evening.

An interesting session of the Cameron PTA was held on Thursday November 4, at the high school auditorium.

Mrs. William Hefley, the recently elected president, was in charge of the meeting. Mrs. Grady Stidham gave an interesting sketch of the life of Mrs. Caruthers Porter, prominent in child welfare work and founder of the Parent Teachers Assication.

W. C. Wiese discussed briefly the "Way of a PTA organization." Mrs. J. P. Love gave some interesting information of the NYA resident project recently begun here and asked the co-operation of PTA members in this worthwhile cause.

The following officers were announced: President, Mrs. William Hefley; Vice President, Mrs. Guy Chandler; Secretary, Mrs. Bob Terry; Treasurer, Mrs. Carl Black; Chairmen of Committees, Membership, Mrs. Wiley Mangum; Finance, Mrs. Carl Black; Student Welfare, Mrs. Ben Winfield; Sumer Roundup, Mrs. John Ryan; Program, Mrs. Guy Chandler.

Mrs. B. F. Robinson entertained Wednesday afternoon with a bridge party honoring her daughter in law Mrs. Torval Stall. Mr. and Mrs. Stall have been visiting here in the home of his mother. They left the latter part of week for San Antonio and other points of interest in the southern part of the State.

FORMER YOEMEN HERE

Louie Turner and Shirley McLean were in Cameron to spend Armistice Day. They returned to Houston Sunday. They are former Yoemen Turner playing quarter back on the team that won regional title in 1936. McLean played end for Cameron and is a brother of Joe McLean, star half back on the championship team. Both have good positions in Houston and their friends are always glad to welcome their return.

Mrs. Herbert Coolie who has been visiting here in the home of her sister, Mrs. Erle Burke, returned to her home in Marlin during the week end.

WOMAN'S PLACE

You hear a lot—from men!—about woman's place, but the consensus of opinion is that her place is just about anywhere she elects to make it. . . . We know, for example, that throughout the United States she drives automobiles many hundreds of thousands of miles per year, and that she spends literally millions of dollars annually for motor fuels, motor oils and automobile maintenance. . . . So, quite naturally, we make a special point of pleasing the ladies; we do everything we can to make driving an automobile pleasant and comfortable for them. . . . This service is so well organized with conveniently located, completely equipped, capably staffed, clean Humble Service Stations, that many Texas women have shifted the entire care of their cars to Humble's shoulders; the nearest Humble Service Stations remind them when their cars need lubrication, when oil needs changing, when batteries should be refilled. As a result, their cars run right and look good. . . . So can yours—if you, too, will shift the care of your car to Humble's shoulders. Begin today—stop for service at the nearest Humble sign!

CHRISTIAN SCIENCE SERVICES

"Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Nov. 19.

The Golden Text is: 'What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?" (I Corinthians 6:19.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In this was mainfested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him." (I John 4:9.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, 'Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is neither growth, maturity, nor decay in Soul. These changes are the mutations of material sense, the varying clouds of mortal belief, which hide the truth of being." (page 310.)

Thanksgiving comes
but once a year,
Far back as we remember;
This year, it seems,
we'll have it twice,
And we think that
is mighty nice—
Three cheers for
THIS November.
Bring on those
Gladiola cakes,
That bread and pie
and biscuit!
That flour has
everything it takes—
You'll stuff until
your tummy aches—
But you'll be glad to risk it!

ATTENDS CONVENTION BEER DISTRIBUTORS

Grady Little of the Cameron, Pearl Beer Distributing Company attended the 6th annual distributors' convention of the San Antonio Brewing Association in San Antonio last week.

At the convention the Pearl Beer Distributor of this city was congratulated upon the splendid showing made during the first ten months of 1939 and was told that this territory along with other distributors of Texas, showed an increase in Pearl Beer sales of 26.6% as compared with a 2.6% increase of all beers in the Nation.

In referring to this "ten times better than the Nation's increase in beer sales," B. B. McGimsey, Vice President and General Manager of the Brewery, complimented the distributors, assuring them that during the ensuing year "we will continue to give you the very finest beer that can be made."

Otto A. Koehler, Vice President and Production Manager, outlined plans in detail of the increased capacities that were being made throughout the Brewery to take care of an even greater increase for 1940. The distributors in convention pledged themselves to an even finer '40 for Pearl. Advertising and merchandising plans were outlined to encourage more and more thrist-wise Texans to say 'Bottle of Pearl, Please!" in 1940.

The convention was an all day business session for the distributors at the Brewery, the ladies were luncheoned at the St. Anthony Hotel and were given a theatre party during the afternoon. The evening was devoted to a banquet and dancing with over 500 in attendance at the St. Anthony Hotel in San Antonio.

HOYTE H. D. CLUB

The Hoyte H. D. Club met with Mrs. Grady Gill November 8.

There will be a mattress making demonstration December 6, at the home of Mrs. Randolf Williamson, the program beginning at 9 a. m. Every one is asked to bring a covered dish for the noon hour.

Mrs. Brenham Morris sent in her resignation as vice president and Mrs. Narvie Caperton was elected to succeed her. Mrs. Harvey Radtke will be frame garden demonstrator for the coming year.

The program for the afternoon was as follows: Mrs. Tate gave a talk on being a good hostess and Mrs. Guy Chandler gave "The Contemporary House." The hostess served refreshments.

Members of the Kings Guards, personal escort of King Victor Emanuel of Italy, have to be six feet four inches tall and good looking. There are 100 men and five officers.

REICH WILL GO ON WITH WAR SAYS CHANCELLOR

Adolf Hitler early Tuesday wrote his refusal of the Holland and Belgian peace offer, a proposal already rejected by British and French.

In rejecting the peace offer, the German Chancellor, while under the circumstnes could do nothing else, is believed to have closed the door for all time against another opportunity for peace.

There was indication today that a new peace move was afoot in the Balkans and considerable headway had been made, but no details were announced.

Simultaneously with the rejection of the peace offer, four British merchant ships were sunk in the North Sea.

The French communication for the day was made up of two words: "All Quiet."

An incident of alarming import occurred Tuesday when Finnish anti-aircraft batteries opened fire on Soviet planes flying over Finnish territory. Negotiations between Finland and Russia were reported broked off in Moscow.

A report that a British destroyer had struck a mine off the English coast could not be confirmed.

ONE OUT OF EVERY FOUR ADULTS HAS—

Sinus Disease

According to leading doctors "sinus trouble is one of the most prevalent diseases of today. This dreaded and severely painful disease is caused by and follows the COMMON COLD." All kinds of serious complications besides sinus infection follow the common cold. America's Public Health Enemy Number One, *the common cold germ* wages its attack to pave the way for such serious illnesses as bronchitis, pneumonia, tuberculosis and other serious health-wrecking diseases. Frequently cold infection extends into the ear or mastoid.

HEAT YOUR ENTIRE HOME FOR YOUR HEALTH'S SAKE

DURING the common cold months, or winter season, it is especially important to take every precaution to protect your health. Quick changes of temperature should be avoided. Sudden changes of temperature, such as occur when going from a warm room into a cold one, make it easy for you to "catch cold." For your health's sake, and to obtain the greatest value from the fuel you use, heat your entire house and provide adequate ventilation during the short winter season.

We play our part

The sinews of business stretch out over a large area in any community but inevitably they center at some source of supply.

It is a great satisfaction to us to know that the financial resources of this bank keep the sinews of business in this community supplied with energy. We know how great is the power and the benefit of finance and those who have benefitted by their relationship with the resources of this bank, can testify that Citizens National Bank plays its part.

Constables Barred as Bailiffs as Grand Jury Convenes Here

A ruling by the Attorney General on September 22, 1939, says that constables under Article 16 of the Constitution of Texas cannot lawfully serve as baliffs for a grand jury.

When the grand jury convened Monday, Criminal District Attorney Bill Morrison read this ruling and dismissed the constables under its effect. The District Attorney has authority under the law to name bailiffs for the grand jury.

At 10 o'clock Tuesday morning only one baliff had been named. He is Charles C. Smith, Jr., normally assistant without portfolio to the District Attorney.

There was widespread dissention of the ruling of the Attorney General and constables were goggled eyed and out in the cold for the first time in many years because it has been the custom for constables to serve as bailiffs for the grand jury.

A recent grand jury criticism of constables for their inefficiency in preparing cases had nothing to do with the action of the Criminal District Attorney who now can name his own bailiffs under the law.

There was general belief that the efficiency of the grand jury would be greatly curtailed because when the Criminal District Attorney named the baliffs, he would ordinarily be compelled to choose men without experience as officers for under the ruling of the Attorney General, a bailiff is declared to be an office holder and no official can hold two offices with pay at the same time.

It should be pointed out from the laymen's viewpoint that the urge under which Morrison has dismissed the canstables is only a ruling by the Attorney General and until the matter is settled by review in a court of last resort, the position of the Attorney General will continue to be a matter of opinion.

The opinion was given to T. K. Wilkinson, county auditor of Hill county.

Constables receive four dollars per day when they serve as bailiffs and if the grand jury is in session for 2 weeks the total pay would be forty-eight dollars per constable.

The District Attorney asked constables to suggest bailiffs, but if any had been named, it could not be learned Tuesday morning.

Mr. and Mrs. Bartow Jackson and sons, Thomas Dalton and Bobbie Ray were guests of Mr. Jackson's brother of Houston for the week end.

Tiger Win in Rain is Decisive

Old Man Rain, the builder of alibis, scored a touchdown in almost every quarter of the game and gave the Tigers a 20 to 0 victory over the Yoemen in Belton Friday night.

With Pie Lucas on the bench during a major part of the game and limping on to the field in a vain effort to bolster the chances ofthe Yoemen, the vaunted passing attack of Wood's team was stimied, and although the Yoemen team badly outclassed the Tigers on first downs from running plays, they pay-off in touchdowns and history has again repeated. A bad peace of quarter backing early in the first quarter of the game, gave the Tigers a touch back and 2 points. The Yoemen rallied but were never able to seriously threaten the Tiger goal and before the quarter ended the Tigers completed a 40 yard pass putting the ball on Cameron's 25 yard line and from that point marched to the goal but did not kick the point.

A strange coincidence of the game was that Belton was able to pass with considerable accuracy but the Yoemen were woefully wanting and had one intercepted in the third quarter for a touchdown.

Fred Allen, bearing the brunt of the back field play, did just about everything possible to the Belton line. He swept their ends and dusted off their tackle and was a brilliant streak througout the game.

Punting on the part of the Belton team was responsible for keeping the Yoemen backed up deep in their own territory a major part of the game. At the beginning of the second half rain began to pour down and within a few minutes the field was a sea of mud.

There were frequent fumbles and no end of smearing of both passes and line plays. It continued to rain slowly throughout the remainder of the game.
